PREFACE

اَلْحَمْدُ لِلّٰهِ وَالصَّلٰوةُ وَالسَّلَامُ عَلٰى رَسُوْلِ اللّٰهِ. اَمَّا بَعْدُ!

All Praises & thanks be to Allah, and peace & blessings be upon the Messenger of Allah.

The Messenger of Allah ﷺ said: The best among you is the one who learns the Qur'an and teaches it (to others).

In spite of the above emphasis, a significant majority of Non-Arab Muslim community does not understand the Qur'an. Most of them do not understand the meanings of even the commonly recited verses in Salah. One of the reasons for this state of affairs is that the people are pre-occupied with so many things and therefore do not find any time for the learning of the Qur'an.

Keeping in view such busy people, a short course is designed to help them understand the Salah in an easy way. It will also be very helpful for them to understand the Qur'anic Arabic.

Through Surah Al-Fatihah, last 6 Surah, Azkar of Salah and Basic Arabic grammar, you will learn **232** important words that occur in the Qur'an **41,000** times (from a total of **78,000** words in the Qur'an, i.e., **50%** words of the Qur'an). The basic grammar of these words is taught through **TPI** (Total Physical Interaction) in an interesting & interactive way.

To get maximum benefits of this course, please do the following homework **everyday**:

1. At least **FIVE minutes** recitation of the Qur'an from the Mushaf.
2. At least **FIVE minutes** recitation of the Qur'an from memory while walking, cooking etc.
3. At least **FIVE minutes** study of textbook (previous and next lessons), and answering the workbook questions.
4. At least **30-second** study of Vocabulary booklet or Sheet.
5. Listening to the word-for-word translation of the Qur'anic verses and Azkar from the DVD.
6. Talking to your friends, family members or colleagues for at least one minute daily about the lesson that you have learnt.

In addition to the above, remember two important homeworks:

- Supplicate for yourself رَّبِّ زِدْنِي عِلْمًا and
- your friends that Allah gives us the Tawfeeq to fulfill the rights of Qur'an.

The best way to learn is to teach, and the best way to teach someone is to train him/her to become a teacher.

May Allah help us to believe in, recite, understand, ponder, implement, and propagate the Qur'an.
